

Executive Editors

D.M. Gabbay, *King's College London, UK*

A.J.I. Jones, *King's College London, UK*

J. Siekmann, *University of Saarbrücken, Germany*

Editorial Office Manager

J. Spurr, *King's College London, UK*; e-mail: jane@dcs.kcl.ac.uk

Scientific Area Editors

Philosophical Logic

J. van Benthem, *University of Amsterdam, The Netherlands*

L. Goble, *Williamette University, USA*

S. Predelli, *University of Oslo, Norway*

G. Sandu, *University of Helsinki, Finland*

New Logics arising from Applications

W. Carnielli, *State University of Campinas, Brazil*

D. Makinson, *King's College London, UK*

H. Wansing, *TU Dresden, Germany*

R. Milner, *Cambridge University, UK*

Modal and Temporal Logic

M. Reynolds, *Murdoch University, Australia*

F. Wolter, *University of Leipzig, Germany*

M. Zakharyashev, *King's College London, UK*

Logic and Constraint Logic Programming

M. Hermenegildo, *UPM, Madrid, Spain*

A. Kakas, *University of Cyprus, Nicosia, Cyprus*

F. Rossi, *University of Padova, Italy*

G. Smolka, *Saarland University, Germany*

Logic and Software Engineering

M. Broy, *TU Munich, Germany*

K.-K. Lau, *VUM, Manchester, UK*

G. Puebla, *UPM, Madrid, Spain*

Data and Knowledge Bases

F. Wotawa, *TU Graz, Austria*

G. Gottlob, *TU Vienna, Austria*

Logic and Multi-Agent Systems

M. Fisher, *Liverpool, UK*

S. Kraus, *Bar-Ilan University, Israel*

M. Wooldridge, *Liverpool University, UK*

N. Jennings, *Southampton University, UK*

Logic and Algebraic Programming

J. Bergstra, *University of Amsterdam, The Netherlands*

J. Tucker, *University of Swansea, Wales, UK*

Logic and Language

W. Buszkowski, *Adam Mickiewicz University, Poland*

Natural Language Processing

M. Moortgat, *University of Utrecht, The Netherlands*

M. Pinkal, *University of Saarbrücken, Germany*

H. Kamp, *University of Stuttgart, Germany*

M. Kracht, *UCLA, USA*

Formal Methods Specification and Verification

H. Barringer, *Manchester, UK*

D. Bjorner, *TU Denmark, Lyngby, Denmark*

Automated Inference Systems and Model Checking

H.J. Ohlbach, *Ludwig-Maximilians University, Munich, Germany*

A. Voronkov, *Manchester University, UK*

T. Walsh, *York University, UK*

Logic in Mechanical and Electrical Engineering

R. Kruse, *Otto von Guericke University, Magdeberg, Germany*

E. Mamdani, *Imperial College, London, UK*

Logic for Knowledge Representation and the Semantic Web

F. Baader, *TU Dresden, Germany*

T. Cohn, *Leeds University, UK*

I. Horrocks, *Manchester University, UK*

Mathematical Logic

W. Hodges, *QMC, UK*

J. Makowsky, *Technion, Haifa, Israel*

Proof Theory

S. Buss, *University of California, San Diego, USA*

W. Pohlers, *University of Münster, Germany*

Algebraic Methods in Logic

R. Hirsch, *University College London, UK*

R. Goldblatt, *Victoria University, New Zealand*

Applied Non-classical Logic

L. Fariñas del Cerro, *Paul Sabatier University, Toulouse, France*

N. Olivetti, *University of Torino, Italy*

Logic Applied to Mathematics

D. Basin, *ETH, Zurich, Switzerland*

F. Kamareddine, *Heriot Watt University, Edinburgh, Scotland, UK*

Logic and Neural Nets

A. Garcez, *City University, London, UK*

S. Hoeldobler, *TU Dresden, Germany*

J. Taylor, *King's College London, UK*

Non-monotonic Logics and Logics of Change

V. Lifschitz, *University of Texas, USA*

J. Dix, *University of Manchester, UK*

Tactical Theorem Proving and Proof Planning**Type Theory for Interactive Systems**

P. Andrews, *CMU, USA*

C. Schuermann, *Harvard, USA*

Tactical Theorem Proving and Proof Planning**Logic and Learning**

J. Lloyd, *ANU, Australia*

S. Muggleton, *Imperial College, London, UK*

Cognitive Robotics: Actions and Causation

M. Thielscher, *TU Dresden, Germany*

Logics and Planning**Computational Models of Scientific Reasoning**

L. Moniz Pereira, *Nova University, Lisbon, Portugal*

P. Thagard, *University of Waterloo, Canada*

Logic and Uncertainty

D. Dubois, *IRIT, Toulouse, France*

H. Prade, *IRIT, Toulouse, France*

Logic and Law

L. Lindahl, *Lund University, Sweden*

A.J.I. Jones, *King's College London, UK*

M. Sergot, *Imperial College, London, UK*

J. Carmo, *University of Madeira, Portugal*
